Asked by: Hon LAM Lam, Nixie (LegCo internal reference no.: 37)

Reply:

- 1) The Ten-year Development Blueprint for Sports and Recreation Facilities (the Blueprint) will involve about 30 works projects of sports and recreation facilities, which include sports centres, swimming pools, sports grounds and parks. We plan to commence 16 projects for sports and recreation facilities (the list of which is at Annex) and carry out technical feasibility studies for about 15 projects in the first 5 years. Funding approval involving around \$2.7 billion has been obtained from the Legislative Council (LegCo) for 2 of the 16 projects to be implemented in the first 5 years. The 2 projects, namely Quarry Park in Anderson Road Quarry and the Joint-user Complex at Site G2, Anderson Road Quarry, commenced construction in 2023, with the former expected to be completed in 2026 while the latter in 2027. The remaining projects are currently at various planning stages.
- 2) We will provide the details on estimated expenditure of the projects and manpower arrangements, which have yet to be confirmed, when consulting the relevant LegCo panels and Public Works Subcommittee and seeking funding approval of the Finance Committee.
